

**SUMMER REINSTATEMENT PROGRAM ENROLLMENT AGREEMENT  
FOLLOWING ACADEMIC SUSPENSION**

**Submission Deadline: Thursday, June 3, 2021 5:00 PM**

**Regulations:** Only students on academic suspension for the FIRST TIME at the end of the spring semester are eligible for the Summer Reinstatement Program. This program offers an alternative to the reinstatement appeals process that allows a student to gain eligibility for continued enrollment in the fall semester. Authorization to enroll in the summer semester does not imply that a student is eligible for financial aid. A student should contact the Financial Aid Office regarding financial aid eligibility status.

**Criteria:** Course criteria for this program is summarized on page two of this form.

**Procedure:** The student must submit this approved enrollment agreement for summer reinstatement – including signatures of student, advisor, and college Director of Student Academic Services (DSAS) – to the Office of the Registrar (322 Student Union) or Enrollment Services in Tulsa no later than the final enrollment day of the last summer term.

**Please Note:** **June/July and Fall registration will be cancelled if this form is not received in the Office of the Registrar by 5:00 PM on Thursday, June 3, 2021.**

**STUDENT’S ACKNOWLEDGEMENT:**

To be eligible for continued enrollment in the 2021 fall term, I understand that I must earn either a 2.0 GPA or higher in the 2021 summer term or raise my overall GPA to the minimum standard. This requirement must be achieved by enrolling at OSU and completing a minimum of six (6) credit hours in core academic courses that meet either general education requirements or other specified requirements for my degree program according to the course criteria summarized on page two. **I must notify the Office of the Registrar of any course change that deviates from the list below.** I understand that the restrictions on page two apply to the courses I take in this program, and that the decision regarding my eligibility for continued enrollment in the fall semester will be based on my summer term GPA or my overall GPA at the conclusion of the summer term. If I do not meet the requirement for continued enrollment in the fall semester, my record will reflect “suspension continued” at the conclusion of the summer term, and I will not be eligible to appeal for reinstatement for the fall term.
