Student's Educational Objectives/Career Goals (Be specific):

I understand this degree does not lead to teacher certification, nor will OSU provide a letter to the State Department of Education indicating that this degree is a concentration in an area of study that corresponds with a certification area. I also understand that the Bachelor of University Studies (BUS) cannot be earned as a second or concurrent OSU baccalaureate degree (University Academic Regulation 3.10). The only option for earning a BUS degree and another bachelor’s degree from OSU is to earn the BUS degree first (as the primary degree), followed by the additional baccalaureate degree in a subsequent term.

Check Option 1 or 2:

Option 1: Three Areas of Concentration (at least 18 hours in each area)
Note: 18 hours of “Major” courses from AA, AS or AAS degree (may only be used for one of the three concentration areas)

Option 2: Two Areas of Concentration (at least 27 hours in each area)

Complete details for each Area of Concentration:
(If completing minors as an area of concentration, provide appropriate details & college approval signatures. Minors will be added to the student’s curriculum and will be reflected as minors in addition to the BUS degree on the official transcript.)
