RESEARCH & PENDING PEER REVIEWED PUBLICATIONS:

Effects of body condition score change on breeding interval in commercial beef herds in Western Oklahoma, R. Prather[†], J. L. Hensley*, M. Adams[†], D. Lalman*, and M.R. Crosswhite*
[†]Ellis County Animal Hospital, Shattuck OK 73858, *Department of Animal and Food Sciences, Oklahoma State University, Stillwater OK 74078

Fixed Timed Artificial Insemination (FTAI) and response to vitamin A injection – Ellis County Animal Hospital client investigation, statistical analysis VRCS, Miles Theurer, DVM

Correlation of EPD and Ultrasound Characteristics with Yearling Bull BSE Success Rate – Ellis County Animal Hospital client investigation, statistical analysis OSU Animal Science Extension, David Lalman PhD

Effect of conventional vs all natural production systems on average daily gain from branding to weaning, Ellis County Animal Hospital client investigation

Effect of Maternal Bovine appeasing substance on weaning weigh outcomes, Ellis County Animal Hospital client investigation, statistical analysis, Production Animal Consultants

Idiopathic Orchitis in Beef Bulls, Ongoing research project, KSU, TTU, OSU

NON-GOVERNMENT ORGANIZATIONS (NGO), SERVICE & ADMINISTRATION:

Zambia Mission Fund – a Registered 501(c)(3)

Resource Veterinarian – *“Investigate revenue potential for dairy and beef operations”* 1995

Established production medicine techniques in both dairy and beef operations 1996 -- Current

Board member 1996 – Current

Finance Committee Chairman 2004 – 2005

Chief Executive Officer (General Superintendent) 2005 – Current

Serve with 22 member board

Namwianga Mission Current Zambian National employees = 170

Manage Department Heads:

Secondary School

Nursing College (1st graduating class 2025)

Teacher College – implementing University Status Jan. 2025

Farming Operation – beef, dairy, small ruminant and row crop

Infant Orphan Care

Medical Outpatient Care

OB/GYN Surgical Facility and Post-op

Radio Station

Accomplishments in Education and Medical Services

Water development – Raised funding for earthen dam and 18-acre surface lake

Passive Water Filtration Systems

Water well drilling

Drought – food relief ranging from 300,000 to 600,000 meals - 2001, 2016, 2020, 2024

Sustainable Gardening – Drip Irrigation Development & Training;

Hospital Surgical Theatre, Post-op design and construction

Men and Women’s dormitory design and construction

College cafeteria, classroom design and construction

Administration block design and construction

Women’s Shelter design and construction

Administrative Accomplishments

Resolved 2005 4th quarter liability and averted bankruptcy

Secured full title deeds for 5 historical properties

Consolidated 4 historical entities under 3 separate boards into 1 PBO (Public Benefit Organization) with one unified multinational board

Retired prior liability from bankrupt Defined Benefit Pension Scheme \$500,000

Retired prior liability of accrued leave days \$225,000

Multiple U.S. Endowments and Secure Savings totaling over \$1,000,000

Religious Affiliation

Gage/Shattuck Church of Christ

Elder
