

**GENERAL EDUCATION ADVISORY COUNCIL
MEETING MINUTES**

**Friday, March 24, 2006
1 – 2:30 p.m.
101 Whitehurst**

1. New General Education Designation Requests:

College of Arts and Sciences

REL 3023 – The New Testament and Its Study, request “H” designation, effective Spring 2007.

Approved “H” designation, effective Spring 2007.

REL 3223 – The Teaching of Jesus in Historical Context, request “H” designation, effective Spring 2007.

Approved “H” designation, effective Spring 2007

SOC 4643 – Sociology of Gender, request “S, I” designations, effective Spring 2007.

Approved “S” designation, effective Spring 2007. Denied “I” as the course does not fulfill the requirement that at least half the course materials relate to studies outside of the United States.

SPAN 3033 - Survey of Peninsular Literature II, request “H” designation, effective Spring 2007.

Denied “H”, due to inadequate formal writing requirements.¹

WMST 2113 – Introduction to Women’s Studies in the Social Science, request “S” designation, effective Spring 2007.

Approved “S” designation, effective Spring 2007.

WMST 2123 – Introduction to Women’s Studies in the Arts and Humanities, request “H” designation, effective Spring 2007.

Approved “H” designation, effective Spring 2007.

PHIL 3920920 – Creation and Evolution, request “H” designation, one-time only, effective Fall 2006. A course action form has been submitted to Art and Sciences to create a permanent number for this course.

Approved “H” designation, one-time only, effective Fall 2006 with confirmation of writing assignment. Syllabus and form must indicate the same writing requirements.

¹ The writing requirement for H, S and I courses is defined as follows:

Lower division courses - outside of class writing assignments appropriate to the discipline that are graded with feedback on writing. Minimum of 5 pages of writing assignments during semester.

Upper division courses - outside of class writing assignments that give students the opportunity to incorporate feedback in subsequent writing assignments (by revising and resubmitting one assignment or submitting more than one assignment). Minimum of 10 pages of writing assignments during semester.

College of Human Environmental Sciences

HES 3080 – Food and Culture of Italy, request “S, I” designations, one-time only, effective Summer 2006.

Approved “S, I” designations, effective Summer 2006.

2. General Education Five Year Review of “N” and “N, L” Designations

ASTR 1014 – The Solar System, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

ASTR 1024 – Stars, Galaxies, and the Universe, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

BIOL 1114 – Introductory Biology: Populations, request continuation of the “N, L” designations, effective Summer 2006.

Continue “N, L” designations, effective Summer 2006.

BIOL 3223 – Survey of Human Diseases, request continuation of the “N” designation, effective Summer 2006.

Discontinued “N” designation, effective Summer 2006, because neither form nor the syllabus provide information sufficient to demonstrate that the course meets the criteria for an “N” course.

BIOL 3232 – Human Reproduction, request continuation of the “N” designation, effective Summer 2006.

Discontinued “N” designation, effective Summer 2006, because neither form nor the syllabus provide information sufficient to demonstrate that the course meets the criteria for an “N” course.

BIOL 3243 – Biological Rhythms in Humans, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

BIOL 3253 – Environment and Society, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

BIOL 3263 – Plants and People, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

BOT 1404 – Plant Biology, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

BOT 3005 – Field Botany, request continuation of the “N” designation, effective Summer 2006

Review postponed to April 19th meeting.

CHEM 1014 – Chemistry in Civilization, request continuation of the “N, L” designations, effective Summer 2006.

Continue “N, L” designations, effective Summer 2006.

CHEM 1215 – General Chemistry, request continuation of the “N, L” designations, effective Summer 2006.

Continue “N, L” designations, effective Summer 2006.

CHEM 1225 – General Chemistry, request continuation of the “N” designation and addition of the “L” designation, effective Summer 2006.

Continue “N, L” designations, effective Summer 2006.

CHEM 1314 – General Chemistry, request continuation of the “N, L” designations, effective Summer 2006.

Continue “N, L” designations, effective Summer 2006.

CHEM 1413 – Inquiry-Based Chemistry, request continuation of the “N, L” designations, effective Summer 2006.

Continue “N, L” designations, effective Summer 2006, however the General Education Advisory Council noted that the prerequisites in the catalog, syllabus and form do not match.

CHEM 1414 – Chemistry for Engineers, request continuation of the “N, L” designations, effective Summer 2006.

Continue “N, L” designations, effective Summer 2006.

CHEM 1515 – General Chemistry, request continuation of the “N, L” designations, effective Summer 2006.

Continue “N, L” designations, effective Summer 2006.

DHM 2573 – Textiles, request continuation of the “N, L” designation, effective Summer 2006.

Continue “N, L” designations, effective Summer 2006.

ENTO 2003 – Insects and Society, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

FOR 3643 – Forest Environmental Science, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

GEOG 1114 – Physical Geography, request continuation of the “N, L” designations, effective, Summer 2006.

Continue “N, L” designations, effective Summer 2006.

GEOG 3023 – Climatology, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designations, effective Summer 2006.

Comment [MSOffice1]:

Comment [MSOffice2R1]:

GEOG 3033 – Meteorology, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

GEOG 4023 – Geography of Arid Lands, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006.

GEOG 4053 – Geography of Biotic Resources, request continuation of the “N” designation, effective Summer 2006.

Continue “N” designation, effective Summer 2006 pending removal of the graduate credit and Council recommends that the prerequisites in the catalog, form and syllabus should match.

ANSI 3423 – Animal Genetics, materials were not submitted for review.

Discontinue the “N” designation, materials not submitted for review.

ANSI 3543 – Principles of Animal Nutrition, materials were not submitted for review.

Discontinue the “N” designation, materials not submitted for review.

BOT 4123 – Ethnobotany, materials were not submitted for review.

Discontinue the “N” designation, materials not submitted for review.

Adjourn: 2:30 p.m.
