**New General Education Designation Requests:**

**ARCH 3370** – Urban USA Field Study, requests the “D” designation, one-time only, effective Summer 2018. Members denied the “D” designation as it was unclear from the syllabus that 50% or more of the course related to socially constructed groups.

**ARCH 4374** – European Studies, requests the “H and I” designations, effective Summer 2018. Members approved the “H and I” designations, effective Summer 2018.
